Sign Ordinance Hearing Thursday

Concerned With Safety, Appearance

The public hearing on Antioch's proposed sign ordinance will be held Thursday night at the village hall.

It will begin at 9 p.m., following an 8 p.m. hearing on the petition of Mr. and Mrs. Harold C. Young to change the zoning of their property at 701 Main Street.

The Youngs are seeking a change from R-2 zoning (single family dwellings) to R-5 (multiple family dwellings).

IN THE SIGN ordinance the village plan commission is proposing a comprehensive amendment to the zoning ordinance. It deals with the construction and maintenance of signs within the village limits.

The sign code, planners say,

Vandals Break Windows With Pellet Guns

Antioch and Lake Villa police are on the lookout for vandals who have been shooting out windows with BB or pellet guns.

Dozens of windows were smashed last weekend at schools, business establishments, used car lots and in private driveways.

Police said eight windows were shot out at St. Peter's grade school and two at Antioch Community High School.

Impala Motors and United Auto Sales at the intersection of highways 83 and 173 had several used cars damaged by the vandals and their pellet guns.

A Lake Villa police officer speculated that the offenders are firing from car windows as they pass by and flee.

Also hit last weekend were windows at the Jefferson gas station, 974 Main St., the pet shop in Lake Villa on highway 83 and a real estate office in Lake Villa.

In another incident a brick was thrown through a window at Pickard China in Antioch.

Antioch News Moving South

Today is moving day for the Antioch News.

Our next edition will be

published from our new offices at 950 Main St.

That's the former location of S&S Tailors & Cleaners, which moved one door south to the former Gambles store.

We think the premises at 950 Main St. are ideally suited to the operation of a weekly newspaper. We hope you will drop in and look around. (If you come this week, wear your old clothes and we'll put you to work.)

We have a three-year lease on the new offices so we plan to be at that location for at least that long.

Our office at 896 Main St. will be taken over by the Chain-O-Lakes Dental Laboratory.

The building at 896 Main St. has served us well during the last year. Our circulation and advertising have shown consistent growth.

We expect even greater growth in our larger offices at 950 Main St. As Shakespeare used to say:

"What's past is prologue."

In other words, you ain't seen nothin' yet.

NEW HOME OF THE ANTIOCH NEWS -- We're moving this week to 950 Main St., into the offices formerly occupied by S&S Tailors. (We'll change the sign.)

provide music.

After the service, Dr. Harris will be the guest at a church potluck dinner.

Study Begins On Proposed Freeway

The Illinois Department of Transportation today announced the start of a study of a proposed freeway along existing Illinois Route 120 (Belvidere Rd.) in Lake County, west of Waukegan. The freeway segment to be studied, designated F.A.P. 420, is part of the proposed new 71-mile State of Illinois interstate highway system.

Design alternatives will be considered in a location corridor approximately two thousand feet wide and four miles long, centered on existing Rt. 120 from Wildwood to O'Plaine Road south of Gurnee.

Governor Dan Walker has asked that the over-all project, including 55 miles of new construction, be designated as an interstate highway, making

it eligible for 90 percent federal financing.

The proposed interstate highway will connect with Illinois Rt. 120 (Belvidere Rd.) and the Tri-State Tollway near Waukegan on the north. The route goes west six miles along Belvidere Road to the Milwaukee Road tracks, then swings south to I-80 and southeast to connect with I-57 near Park Forest South.

SIGN

Continued from page 1.

"is designed to prevent a vast majority of those things which are undesirable in commercial signage without hampering the inherent right of business to communicate reasonably ..."

The ordinance would require that all signs in the village be maintained in good structural condition and kept neatly painted.

It also would require that all signs be placed flat against a building or designed as part of the building's architectural feature.

THE CODE would outlaw signs that "project into or over an abutting public right-of-way."

Certain types of signs will be prohibited. These include "animated or intensely lighted signs;" in other words, signs that have "flashing, scintillating, blinking or travelling lights."

The code also calls for the removal of signs that advertise an activity, business, product or service no longer conducted or available on the premises.

Swinging signs also will be outlawed.

The ordinance, if passed, probably will affect many of the signs presently advertising businesses in downtown Antioch.

CABL Hearing Set for Mar. 4

A public hearing on the annexation of the CABL property to the village of Antioch has been scheduled for 8 p.m. on Tuesday, Mar. 4, at the village hall.

At Monday night's village board meeting, Mayor Robert C. Wilton suggested that the board of trustees conduct the hearing, rather than the zoning commission.

"We have a recommendation from the planning commission," Wilton said. The plan group recently recommended the signing of the pre-annexation agreement between CABL and the village.

The CABL property includes 150 acres of land north of the

Upper Grade School, west of Tiffany Rd. and south of North Ave. If developed, it eventually will add many residences and new citizens to the village of Antioch.

IN OTHER ACTION at Monday's meeting, Mary Frances Gibson of Trevor Rd., Antioch, was hired to work part-time in the village office. She has experience in accounting and other office work, and was formerly employed by the village of Lake Bluff.

The trustees received a letter from the Chamber of Commerce, requesting use of village

Lumber Takes Over As Head of Chamber

The new president of the Antioch Chamber of Commerce and Industry, Atty. F. James Lumber, feels that one of his

first jobs is to create "greater appreciation of the local business community."

Lumber was installed last

Saturday night at a dinner at Lorenz's Smart Country House. He met early this week with the Chamber's other officers and

directors and decided that in 1975 they will "remind the Antioch public of the kind and quality of goods, services and industrial advantages here."

"We believe," Lumber said, "That we offer as much in Antioch as can be found anywhere in northern Illinois."

"Our people should be reminded regularly to shop locally," Lumber said, "because the product is here and

because we owe it to our own people to support them at all times - particularly in periods of economic crisis."

He also pointed out that tax dollars spent in Antioch are then spent for local improvements.

Other officers of the Chamber are Jack Siegmeier, first vice-president; Bill Barr, second vice-president, and Dennis Johnson, secretary-treasurer.

parking lots for the Chamber's third annual Art Fair. It is scheduled Sunday, July 6.

The board also approved Miss Sue Sedivec's appointment to patrolman in the police department. For the last year she has served as police community relations officer.

TRUSTEE MIKE HALEY announced that the village is asking the Illinois Department of Transportation to widen highway 173, from highway 83 east to the Soo Line tracks. The village is asking the state to consider the addition of an extra lane on the south side of highway 173.

The state already has plans to widen highway 173 all the way to the I-94 tollway. The extra lane that Antioch is seeking would be in addition to present state plans.

Haley also explained that the village is cleaning out Sequoit Creek from Cunningham Drive east to highway 83, rebuilding the culvert beneath highway 83, and has plans to clean the creek

all the way east to the Soo Line crossing.

Phase 2 of the Sequoit Creek

work would involve cleaning it from Cunningham Drive west to the village limits.

Parents' 'Teen Canteen'

All parents of grade school age children in District 34 are invited to attend a parents "Teen Canteen" at the Antioch Upper Grade School on Jan. 24 at 7:30 p.m.

The combined parent teacher organizations of Antioch Grade, Channel Lake, Oakland and the Upper Grade schools are planning a night of fun, fellowship and information. This is a chance for parents to experience the activities that seventh and eighth grade students enjoy at Antioch Upper Grade's Teen Canteen.

Bring your gym shoes and be ready to play the game of your choice. Air hockey, ping pong, pool, bumper pool, foosball, volleyball and basketball will be available. For those more romantically inclined, there will be music for dancing. Refreshments will be served. This is parents night, no children please.

Sophomores

Antioch high's sophomore basketball team lost two conference games last weekend, falling to Grant 39-28 and to Grayslake 41-32.

The sophs played fine defensive games, but could never get their offensive in gear. In both games they shot only 25 percent from the field while Grant shot 34 and Grayslake shot 36 percent.

In the Grant game Don Norwick led Antioch scoring with 11 points. In the Grayslake game Pat Houghton led with 14.

The sophomores play Cary Grove at home this Friday at 6:45 p.m.

BARRY GOLDWATER

World's Mutual Problems Could Be Basis for Peace

By SEN. BARRY GOLDWATER

The needs of the earth to sustain its growing population for the remainder of the 20th century are phenomenal.

Its physical requirements are enough to boggle the mind; but when the social necessities are counted, the problem becomes even more complex.

The best minds in the world are unable to tell us today how

many people are hungry or inadequately nourished. A good guess is around 40 percent.

AND WHEN you talk in terms of the year 2000, this astounding figure must be added to shortfalls of fuel for heating homes, running factories, driving automobiles, producing electricity, plus a thousand other uses.

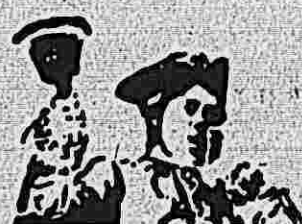

The situation is crucial and

getting worse, but I'm still able to find some humor in the irony of the situation. For example, many of the people who complain about the growing shortage of fuel are the same ones who complain about the defense establishment. What they don't seem to have figured out is this: If their dire predictions about an oil shortage come about, there won't be enough fuel to operate the defense machinery for more than a couple of months.

BUT THERE is one comforting thought. If we find ourselves out of the military defense business for lack of fuel, we'll have plenty of company. A serious fuel shortage, in fact, would cripple many other countries long before it would cut our ability to operate machines and factories.

Almost all of the problems we face today are worldwide in nature and must be handled on a global basis. Yet in the long run, these problems and the need to attack them on an international basis may further the establishment of a truly sound peace.

COMMENTS...

The Day of Reckoning

In many respects, the American people are showing more realism and maturity in their thinking than they have for a long time.

And aside from whatever the government might do about inflation, public opinion has the final say when it comes to shaping national policy.

Until a short time ago, most people in the United States actually enjoyed inflation. Wages rose faster than prices, business was booming, jobs were plentiful and the outlook for higher pay and more leisure time put a rosy glow over everyone's expectations.

Few persons cared to listen to those dour people who worried about federal budget deficits and an eventual day of reckoning. In the past two years, this picture has changed, and no one needs to be reminded how much. Any President who chalked up a \$25 billion federal budget deficit today would be run out of town on a rail.

There is a determination to live with rising prices and cutback on nonessential family spending in order to pay for the essentials of life—fuel, food, housing, clothing and the like.

Many people feel that the need to hustle to make a living may be a good thing for a lot of Americans. And some of the younger generation say this of their own group who have never known the hard times of a depression.

Others see a tendency for families to draw together more in the face of economic restrictions. Well, this may not be a bad thing. In the years ahead, the U.S. will have to compete with some mighty hard working and dedicated people, particularly those of the Soviet Union and China, who are out to challenge the economic and military leadership of America.

All in all, the American people seem to have kept intact that great balance wheel of common sense that is the only basis by which this country's representative form of government can be expected to function at all in the long run.

There is good evidence that when the going gets rough there will be, as in the past, the will to produce and go ahead that has always managed to pull Uncle Sam's chestnuts out of the fire.

There are, apparently, a lot of people still around who are willing to put their back into the job of making America go.

Rep. Reed Here Sunday

DEERFIELD — State Rep. Betty Lou Reed will hold the first of her township public meetings in Antioch at 2 p.m. Sunday. The meeting will be at the First National Bank, 485 Lake St. Those attending should use the bank's Lake St. entrance.

Rep. Reed recalled that she said during her campaign that

"I believe the representative should come to the people. That's why - instead of the traditional representative office - I'm holding a public meeting in each of the 32nd District's townships during the year. This meeting in Antioch is the first. I urge you to attend, because this is the only way I can find out the real needs and concerns of the people of the Antioch area."

Drug Information Programs

The Grass Lake School Parent-Teacher Organization is planning a series of programs to inform parents about drug education.

A discussion of the health and drug program in the school's curriculum was held during the school's board meeting last week.

The board's policy and welfare committee set a date for its next meeting: Tuesday, Jan. 28.

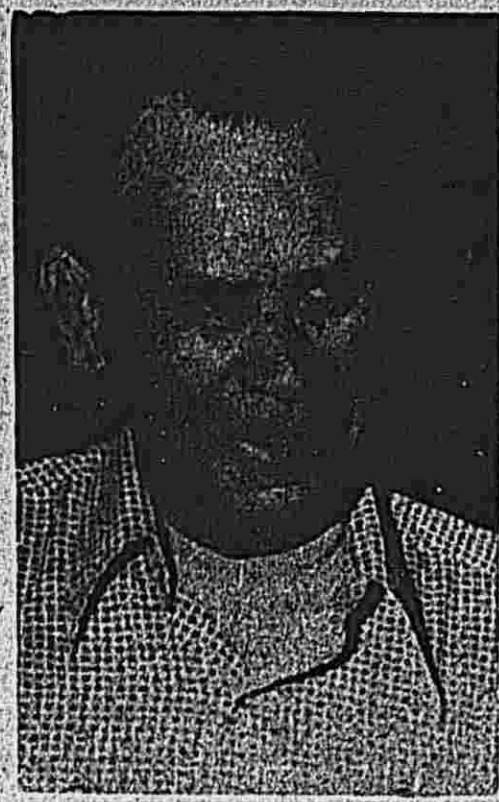

The Board of Education's election date is April 12 and the first day for candidates to file petitions is Feb. 26.

The resignation of board member Lawrence Lloyd was accepted. Persons wishing to fill the vacancy until April must apply by 4 p.m. on Friday, Jan. 31.

A meeting will be held at 7:30 p.m. on Feb. 4 to interview and appoint a replacement.

The board established a policy for accepting reduced-price lunches for families with unusual financial circumstances. Applications can be made at the school office.

Students Have Changed, Retiring Teacher Says

SAYS AREA NEEDS UNIT SCHOOL DISTRICT

Harrison Brown retired last week after 38 years as a school teacher and he had some interesting observations to make:

"It seems to me that young people have lost respect for themselves and others, and that's been growing for some time. As I see it, it isn't the kids' fault — it's the public's fault."

"The area needs a unit school district. The schools should be under the direction of one Board of Education and there should be a curriculum coordinator."

Mr. Brown was the head of the Antioch Community High School science department.

"Yes, the students have changed," he said. "They have changed according to the environment they have had in their homes — this easy way of life has become part of their life."

"I think during the first four grades parents ought to be required by the state to participate more in the child's growth and development. There ought to be more personal contact between teacher and parent and a little more effort on the part of parents to assist the teachers," he said.

Mr. Brown was quick to add that "we do have some wonderful, wonderful students ... and they're tops. They have ideas and they work them out."

"But there was a time when you didn't notice the extreme situations." He was referring to the vast difference between the good students and the "small group" of bad students.

A UNIT DISTRICT?

"You need to coordinate some

of the activities between the grade schools and the high school," he said. "The time is ready to make another survey. Geographically, this area is ideally set up for a unit district."

"I think a unit district is right around the corner," he said. "We might be better off financially and there would be an improvement in the educational program. Think of the coordination you could have in the materials presented in the science department, in English, music, sports ... whatever you have. In your transportation setup, too, you could save a little money there, I know."

MR. BROWN'S WIFE, Alice, retired from teaching kindergarten here last June. They're planning a trip to Phoenix, Ariz., to visit their daughter, Norma. Then they plan to return to their home, at 567 Highland, sometime in June.

Harrison wants to do some traveling and fishing, and some golfing. He also has a little farm in Newton, Ill., where he would like to build a cabin. He wants to see more of the United States, including Alaska.

There are many friends to visit, including a former school

5 Are Entering Village Board Race

It appears there will be a contest for the three village board seats expiring this spring.

Five persons are circulating nomination papers for the April 15 election.

The three trustees whose terms are expiring are planning to seek re-election. They are Margaret A. Nelson, Arnold W. Weber and J. Irving Walsh.

Weber and Walsh are planning to run on a "People's Party" ticket along with Diane (Willie) Kasik.

The fifth person circulating nomination papers is William Georgeson, owner of the World Famous Village Pub. Feb. 10 is the last day for filing petitions.

Sweet Adelines Change Meeting Place

The Lake County Chapter of Sweet Adelines is planning special guest night on Monday, Jan. 27 at 8 p.m. Newcomers will be introduced to four-part barbership harmony, and also the group's new rehearsal quarters in The Gurnee Community Church, 4555 Old Grand Avenue, Gurnee.

Membership is open to all women 14 and over who would enjoy the fun and fellowship offered with four-part harmony. Special musical training, while helpful, is not necessary for the barbership style of singing, according to Joan Gardner, Waukegan, who directs the Lake County chorus. More important is the ability to maintain pitch and the desire to learn.

Interested parties who wish further information, or need transportation assistance, may contact Mrs. James McCormack, 4282 Adeline, Gurnee, 623-4251.

Blood Donors Needed

More donors are needed for the St. Peter Blood Drawing on Saturday, Jan. 25 from 9 a.m. to 3 p.m. Appointments are necessary to keep the operation flowing smoothly.

Please call Mrs. Aschbacher, 395-0226 or Mrs. Ellen Ipsen, 395-2884 for a donor appointment.

DIRECTOR JOHN OLISAR (left) leads Antioch High School band members as they prepare for their performance Friday at the state convention of the Illinois Music Educators.

ACHS Band Performs At State Convention

The Antioch High School Symphonic Band directed by Mr. John Olisar has been invited to perform at the Illinois Music Educators State Convention in Arlington Heights on Friday, Jan. 24. The clinic program is called "Partners in Blue" and is sponsored by the Office of the Superintendent of Public Instruction, the University of Illinois and the U.S. Air Force.

After a short concert by the

Scott Air Force Band and the Symphonic Band, members of the Air Force Band will be seated among the various sections of the high school band and will work in a clinic setting with the students in the preparation of a concert selection.

"The afternoon should prove to be an exciting and educational experience for all the students involved," said Mr. Olisar.

High School Board Meeting

The regular monthly meeting of the Board of Education of Antioch Community High School, District 117, Lake

County, Antioch, Illinois, 60002, will be held on Thursday, Jan. 23 at 7:30 p.m. in the General Office.

Happenings around the community

Rainbow Installs New Officers

The Rainbow Girls, a local organization for teenagers, are looking for new members.

Spokesmen for the club have asked interested persons to write to the Order of Rainbow for Girls, P.O. Box 143, Antioch.

Rainbow is an International Fraternal Organization for girls between the ages of 12 and 20, who are daughters of Master Masons, Eastern Stars, or friends of Rainbow Girls.

The order says its mission "is to seek a life of service, and practice the lessons of true womanhood. Girls learn poise, self-reliance, leadership, patriotism and love of home. The great truths of the Holy Bible are impressed upon the girls, and these teachings give a brighter outlook on life and enable them to withstand the trials of the future."

Royal Neighbors

The Royal Neighbors Olson Camp met on Jan. 14 at the American Legion Hall. Bea Milz presided as Oracle for the vacationing Gladys Wilton. Pearl Anderson presided as Vice Oracle and Irma Hostetter presented the American flag as Ida Kufalk is in Florida.

Birthdays for the month were celebrated by Eva Fields, Gladys Lokke, Ellen Flint and Ida Kufalk.

At the next meeting on Jan. 28 new officers will be installed. All members are encouraged to attend and bring a friend.

Rebekah Lodge

Jan. 15 found many friends and Rebekah Sisters and Brothers from Libertyville, Waukegan, Crystal Lake, Highland Park and Chicago attending the Installation of Officers of Lakeside Rebekah Lodge No. 82 of Antioch, at the American Legion Hall.

The District Deputy President, Sister Viola Vicory and her installing staff of officers, performed the beautiful ceremony, with grace and dignity. Elective officers for the current term are, Sisters Ida Wysoglad, Noble Grand; Shirley Glen, Vice Grand; Clare Horton, Recording Secretary; Mary Ellis, Financial Secretary; Lorna Buchart, Treasurer.

Appointed officers are Zella Larson, Warden; Marion Prange, Conductor; Ruth Aldrich, Chaplain; Agnes Ferris, Musician; Eva Fields, Right Supporter to the Noble Grand; Sophie Radakovic, Left Supporter to the Noble Grand; Louise Hagen, Right Supporter to the Vice Grand, Ann Glads, Left Supporter to the Vice

Grand; Addie Horton, Inside Guardian; and, Brother James Aldrich, Outside Guardian; also, Sister Sherene Jones, Junior Past Noble Grand.

Attending the Jan. 16 Libertyville Rebekah lodge installation of officers were sisters Ida Wysoglad, Zella Larson, Ruth Aldrich, Mary Ellis, Sherene Jones, Clare Horton and Brothers Wayne Jones and James Aldrich.

Eastern Star

Antioch Chapter No. 428 Order of the Eastern Star will be host to the Worthy Grand Matron of Illinois, Mrs. Katherine Gorecki and her official family on Saturday, Jan. 25, at 8 p.m. in the Masonic Temple at 885 Main Street.

All Star members are cordially urged to be present to

give our Worthy Grand Matron a rousing welcome.

VFW Auxillary

On Jan. 13 the Sequoit Auxillary V.F.W. held their regular meeting with President Ida Wysoglad presiding.

A cancer donation was sent to National Headquarters and a check for \$10 was sent to Downey Hospital for canteen books. This being Child Welfare month, chairman Shirley White reported that \$14 will be sent to this fund.

The auxillary is looking for new members. Anyone interested in joining a worthwhile and rewarding organization may contact Ellen Flint 395-2391 or Lillian Burnette for information.

Refreshments were served by Lillian Burnette. The next regular meeting will be Feb. 10.

Day Of Information

The governing board of the Archdiocesan Council of Catholic women is sponsoring a "Day of Information" for district presidents and priest moderators, vicariate officers and priest moderators on Jan. 23 in the Windsor Room of the Pick-Congress Hotel, 520 South Michigan Ave., Chicago.

Registration will begin at 9:30 a.m. and the meeting of learning, listening, congeniality and conversation will start at 10

a.m. A luncheon will follow to honor all A.C.C.W. district presidents. John Cardinal Cody will address the women.

Women of the Moose

The Women of the Moose held their business meeting on Jan. 16 with 45 women attending. Chapter reports were read by Lillian Sorenson, Evelyn Lowe and audit by Shirley Gehris.

Birthday marchers were Mae Palmer and Erna Toft. Share the Pot was won by Mae Przak.

Chapter Rally Day will be held on Mar. 2, all co-workers are asked to fill their chairs. Anyone unable to attend, contact the Senior Regent.

There are still a few seats left for our Green Cap Nite bus trip to Cicero Lodge on Feb. 18, call June Ballenger.

THE Entertainer

The Town Crier

A male reader has registered a complaint about a suggestion made in this column two weeks ago.

It was suggested that wives "walk your husband to the car each morning and wave until he's out of sight."

Our friend complained:

"My wife leaves for work before I do. So she insists that I walk her to the car and wave till she's out of sight."

THINGS WE wouldn't know if we didn't attend Thursday's Rotary Club meetings:

Pastor Steve Williams of the Methodist Church almost won a state high school wrestling championship back in the 1950s. But in the finals he ran into Mike Pyle of Chicago Bears football fame.

"I won't tell you how many seconds it took Mike to dispose

of me," says Steve.

Bill Brook, president of Rotary, isn't satisfied. He is suggesting a rematch.

VERN AND BUNNY Thelen are back from a week in Acapulco, Mexico, where their group had an 11-year-old Indian boy as a guide and paid him for his services with many pesos.

But the boy's biggest thrill that week was getting his first taste of bubble gum and learning, from the Thelens, how to blow bubbles. Success came, of course, when he finally exploded one all over his face.

The Thelens asked the boy what they might send him upon their return to Illinois.

Bubble gum (grape) headed the list and also one of those flat things that people up here throw back and forth, and play catch with.

So Vern and Bunny will send him a frisbee, too.

A lot of folks went South for the winter - and that's just where many of them found it.

DOMESTIC AND INTERNATIONAL ABC's of Travel

By BARB CORBIN

Did you know that you can travel for as little as \$14.00 a day, enjoy a fine double room with bath and three excellent meals? You can travel first class to Hong Kong or Europe, visit India or Australia, take a quick two weeks in the Caribbean or see South Africa, on a first class freighter.

The ships are spic and span vessels, most of which carry twelve or more passengers in the yacht-like, house party atmosphere. You will have a large room - mid ship - with private bath, and will dine and socialize with the officers.

The fascinating and economical world of freighter travel has been enjoyed for years by only a few people. There are over 500 first class freighters roaming the oceans of the world. Few agents are qualified for booking these freighters and that is largely why the public is not aware of this great way of going about.

On a freighter, cargo pays the way, and the passengers benefit with low fares. Wouldn't a trial voyage make a wonderful, inexpensive change for your next vacation? Give us a call, if your time is limited, sea and air combination trips are available. A voyage by freighter is a very special travel experience. Care-free days are yours to enjoy in a

quiet, restful world, away from the stress and strain of everyday living. Passenger-carrying freighter life on board is casual and relaxed, not formal as it is on regular passenger ships.

Cruising is what the average American is looking at in the coming year because of world-wide inflation. The traveler can budget his expenses with a cruise because everything is paid for beforehand. There is no hotel or meal expense, only sightseeing expense. For that most unusual trip - give a call. Happy travels.

Pop's Day At St. Peters

Pop's day - a day of fun and fellowship for the St. Peter's eighth grade basketball team and their parents will be held on Sunday, Jan. 26 at 1 p.m. Team members will play their fathers, while their moms cheer for both sides. Following this game the coaches will take on last year's eighth grade team.

All pops are admitted free whether they play or not.

Students in the fifth through eighth grades are writing essays on why their dad should be chosen "Father of the Year." The lucky man will receive his award after the games.

The students are also making posters for the event and the winner of the poster contest will receive a half-day of fun instead of school.

Defeat Lake Villa

The wrestling Apaches continued their winning ways by defeating a very strong Lake Villa team 33-24. Winning for the Apaches were Jon Gibson, Rob Crowell, Kevin Murphy, Scott Peterson, Marvin Gibson,

Kirk Sarmont and Gene Lehn. The matmen also won the exhibition matches by a score of 31-3. Jeff Canella, Tom Poulos, Bob Wiatr, Paul Quinn, Hal Fox and Mark Abear were the winners.

Along the way with ANNIE MAE

Congratulations to Jim Lumber who was installed as the new Chamber of Commerce president at a dinner dance at Lorenz's Smart Country House last Saturday evening. Over 200 people enjoyed the dinner and dancing to the music of Doc Rosen's band.

Jeannine Leonhart was the guest of honor at a surprise baby shower given by her sister-in-law Fran Leonhart. Hopefully the big event will take place on St. Valentine's Day. Hear tell the odds are for blue - however, Mama is really thinking pink. Whether it pink or blue, it'll be one of the best dressed babies in town.

TWO OF THE AREAS senior citizens celebrated birthdays this weekend. Mrs. Effie Nelson celebrated her 93rd birthday on Jan. 18 with friends and relatives. She'd like to thank everyone for all the lovely cards. Effie is doing just fine and is up and dressed every day looking forward to another happy year.

Mary McCann celebrated her 75th birthday at a party given for her by her children, Mrs. Louise Johnson, Mrs. Marge Murphy, Robert McCann and her granddaughter Linda Triplett, last Sunday. Mary tells me it was really a "bang-up" party with about 200 people coming in and out all afternoon and evening. Lots of fun to see all her friends and relatives.

Mary was born and raised in Lake Villa and has lived within a five mile radius all of her life. She knows most everyone in the area and delights in seeing all the youngsters she taught during her 20 years as a substitute teacher in the Antioch school district. "It's really a thrill to see them all grown up now and hear all the things they've done since I had them in school" she said.

Some of her long time friends celebrating with her were Mr. and Mrs. Carl Hughes and cousins Mrs. Irene Campbell and Mary McCann.

Hear tell Cornelius Lulofs, Antioch's soccer enthusiast and referee, was on Channel 26 last Saturday evening during the half time of the World Cup Soccer Games. Cornelius, a painter by occupation, spends most of his spare time

refereeing high school soccer games in Waukegan and many of the foreign team games in Chicago.

Our condolences to Marge Gaa on the loss of her father and to the Landwer family.

Blood donors are still needed for the St. Peter's blood drawing this coming Saturday. For an appointment call Joan Ashbacher at 395-0226 or Ellen Ipsen at 395-2884.

GET YOUR THINKING caps on for the 1975 V.I.P. nominee. The committee has set Mar. 15 as the date of the dance. Nominations must be sent to the church rectory before Feb. 7.

Congratulations to Ruby Horton who was the lucky winner of the TV at the Ipsen Cleaners grand opening.

Special birthday wishes to Julie Cramer who will be 16 on Jan. 25. Many happys also to Elaine Surrock and Joanne Dugenski who celebrate on the 23rd, to Stephanie Seemann on the 24th, to Mary Carney on the 27th and to Bill Georgeson, Nancy Howard and Karen Planey on the 28th.

LEGAL
75-1-1AN ORDINANCE REGULATING ENCROACHMENT
ON PUBLIC RIGHT OF WAY IN THE VILLAGE OF ANTIOCH
LAKE COUNTY, ILLINOIS

WHEREAS, the Village of Antioch hereinafter known as the Village, and the State of Illinois, acting by and through its Department of Transportation, Division of Highways, have entered into an agreement relative to the improvement of Illinois Route 173, FA Route 202, State Section (135 & 135x), W&12s-1, Proj. RF-291(2), from Illinois Route 83 to Federal Aid Interstate Route 94.

WHEREAS, in order to facilitate said improvement, it is necessary for the Village to adopt an ordinance regulating encroachments on the right of way for said improvement in accordance with the following definition:

Roadway Right of Way is defined as those areas existing or acquired by dedication or by fee simple for highway purposes; also, the areas acquired by temporary easement during the time the easement is in effect;

Project Right of Way is defined as those areas within the project right-of-way lines established jointly by the Village, STATE, and the Federal Highway Administration which will be free of encroachments except as hereinafter defined;

Encroachment is defined as any building, fence, sign or any other structure or object of any kind (with the exception of utilities and public road signs), which is placed, located or maintained, in, on, under or over any portion of the project right of way or the roadway right of way where no project right of way line has been established.

Permissible Encroachment is defined as any existing awning, marquee, advertising sign or similar overhanging structure supported from a building immediately adjacent to the limits of the platted street where there is a sidewalk extending to the building lane and which does not impair the free and safe flow of traffic on the highway, the permissive retention of overhanging signs is not to be construed as being applicable to those signs supported from poles constructed outside the project right-of-way line and not confined by adjacent buildings;

Construction Easement Area is defined as the area lying between the project right-of-way limits and the platted street limits within which the Village, by concurrence in the establishment of the project right-of-way lines, will permit the STATE to enter to perform all necessary construction operations; and,

NOW, THEREFORE, BE IT ORDAINED, by the Village of Antioch, Lake County, Illinois:

Section 1: It shall be unlawful for any person, firm or corporation to erect or cause to be erected, to retain or cause to be retained, any ENCROACHMENT (herein above defined), except as provided in Section 3, within the limits of the project right of way or roadway right of way where no project right-of-way lines have been established.

Section 2: Project right-of-way lines have been established at the following locations:

The project right-of-way lines shall be coincident with the roadway right-of-way.

Section 3: Revocable permits have been issued by the Village for the temporary retention of the following PERMISSIBLE ENCROACHMENTS (herein above defined):

None

Section 4: This ordinance is intended to and shall be in addition to all other ordinances, rules and regulations concerning encroachments and shall not be construed as repealing or rescinding any other ordinance or part of any ordinance unless in direct conflict therewith.

Section 5: Any person, firm or corporation violating this ordinance shall be fined not less than five hundred (\$500.00) nor more than one thousand (\$1,000.00) for each offense, and a separate offense shall be deemed committed for each and every day during which a violation continues or exists.

Section 6: This ordinance shall be published one time within fourteen days after its passage in a newspaper having a general circulation in the Village of Antioch, Illinois, and shall be in full force and effect after its passage, publication and approval as provided by law.

Passed and approved this 20th day of January, 1975;

Sequoits Are Averaging 92½ Points

In Their Last 4 Games

Honest to gosh, folks, Antioch's varsity basketball coach, Roger Andrews, isn't trying to humiliate anybody.

Oh, sure, his Sequoits have scored 100, 85, 91 and 94 points in their last four games. But don't blame the coach.

He puts in the subs and they

score almost as fast as the regulars.

SO THE SEQUOITS have averaged 92.5 points a game in

their four most recent victories. They now have a 6-0 record in the Northwest Suburban Conference and it won't surprise anyone if they go through the

rest of their league schedule without a defeat.

However, they have suffered a letdown or two in the past and must guard against that in the

future.

The Sequoits have an overall record of 14-3 and are beginning to attract some statewide attention.

AN INTERESTING game is on tap Friday when Cary Grove plays here at 8:15 p.m. Cary Grove won its first four conference games and shared the lead with Antioch until last weekend. Then the Trojans were bumped off by Wauconda 59-51 and upset by Woodstock 71-69.

Cary Grove will be on the rebound here Friday. But the psychics are favoring Antioch by 10 points, maybe 20.

ANTIOCH WAS approximately a 10-point favorite last Friday when it scored a 51-point victory over Grant.

Local fans were delighted to see the fired-up Sequoits zip off to a 25-0 lead and enjoy a 27-2 advantage after only one quarter of play.

After that, the score just kept mounting. Andrews used everybody but the Pom-Pom girls and almost everyone in uniform scored some points.

Russ Albano, Mike Perrone and Scott Kimball led with 20, 16 and 13 respectively.

"The kids were primed and ready to go," Andrews said. "They probably played as near-perfect a first quarter as any team could play against another team."

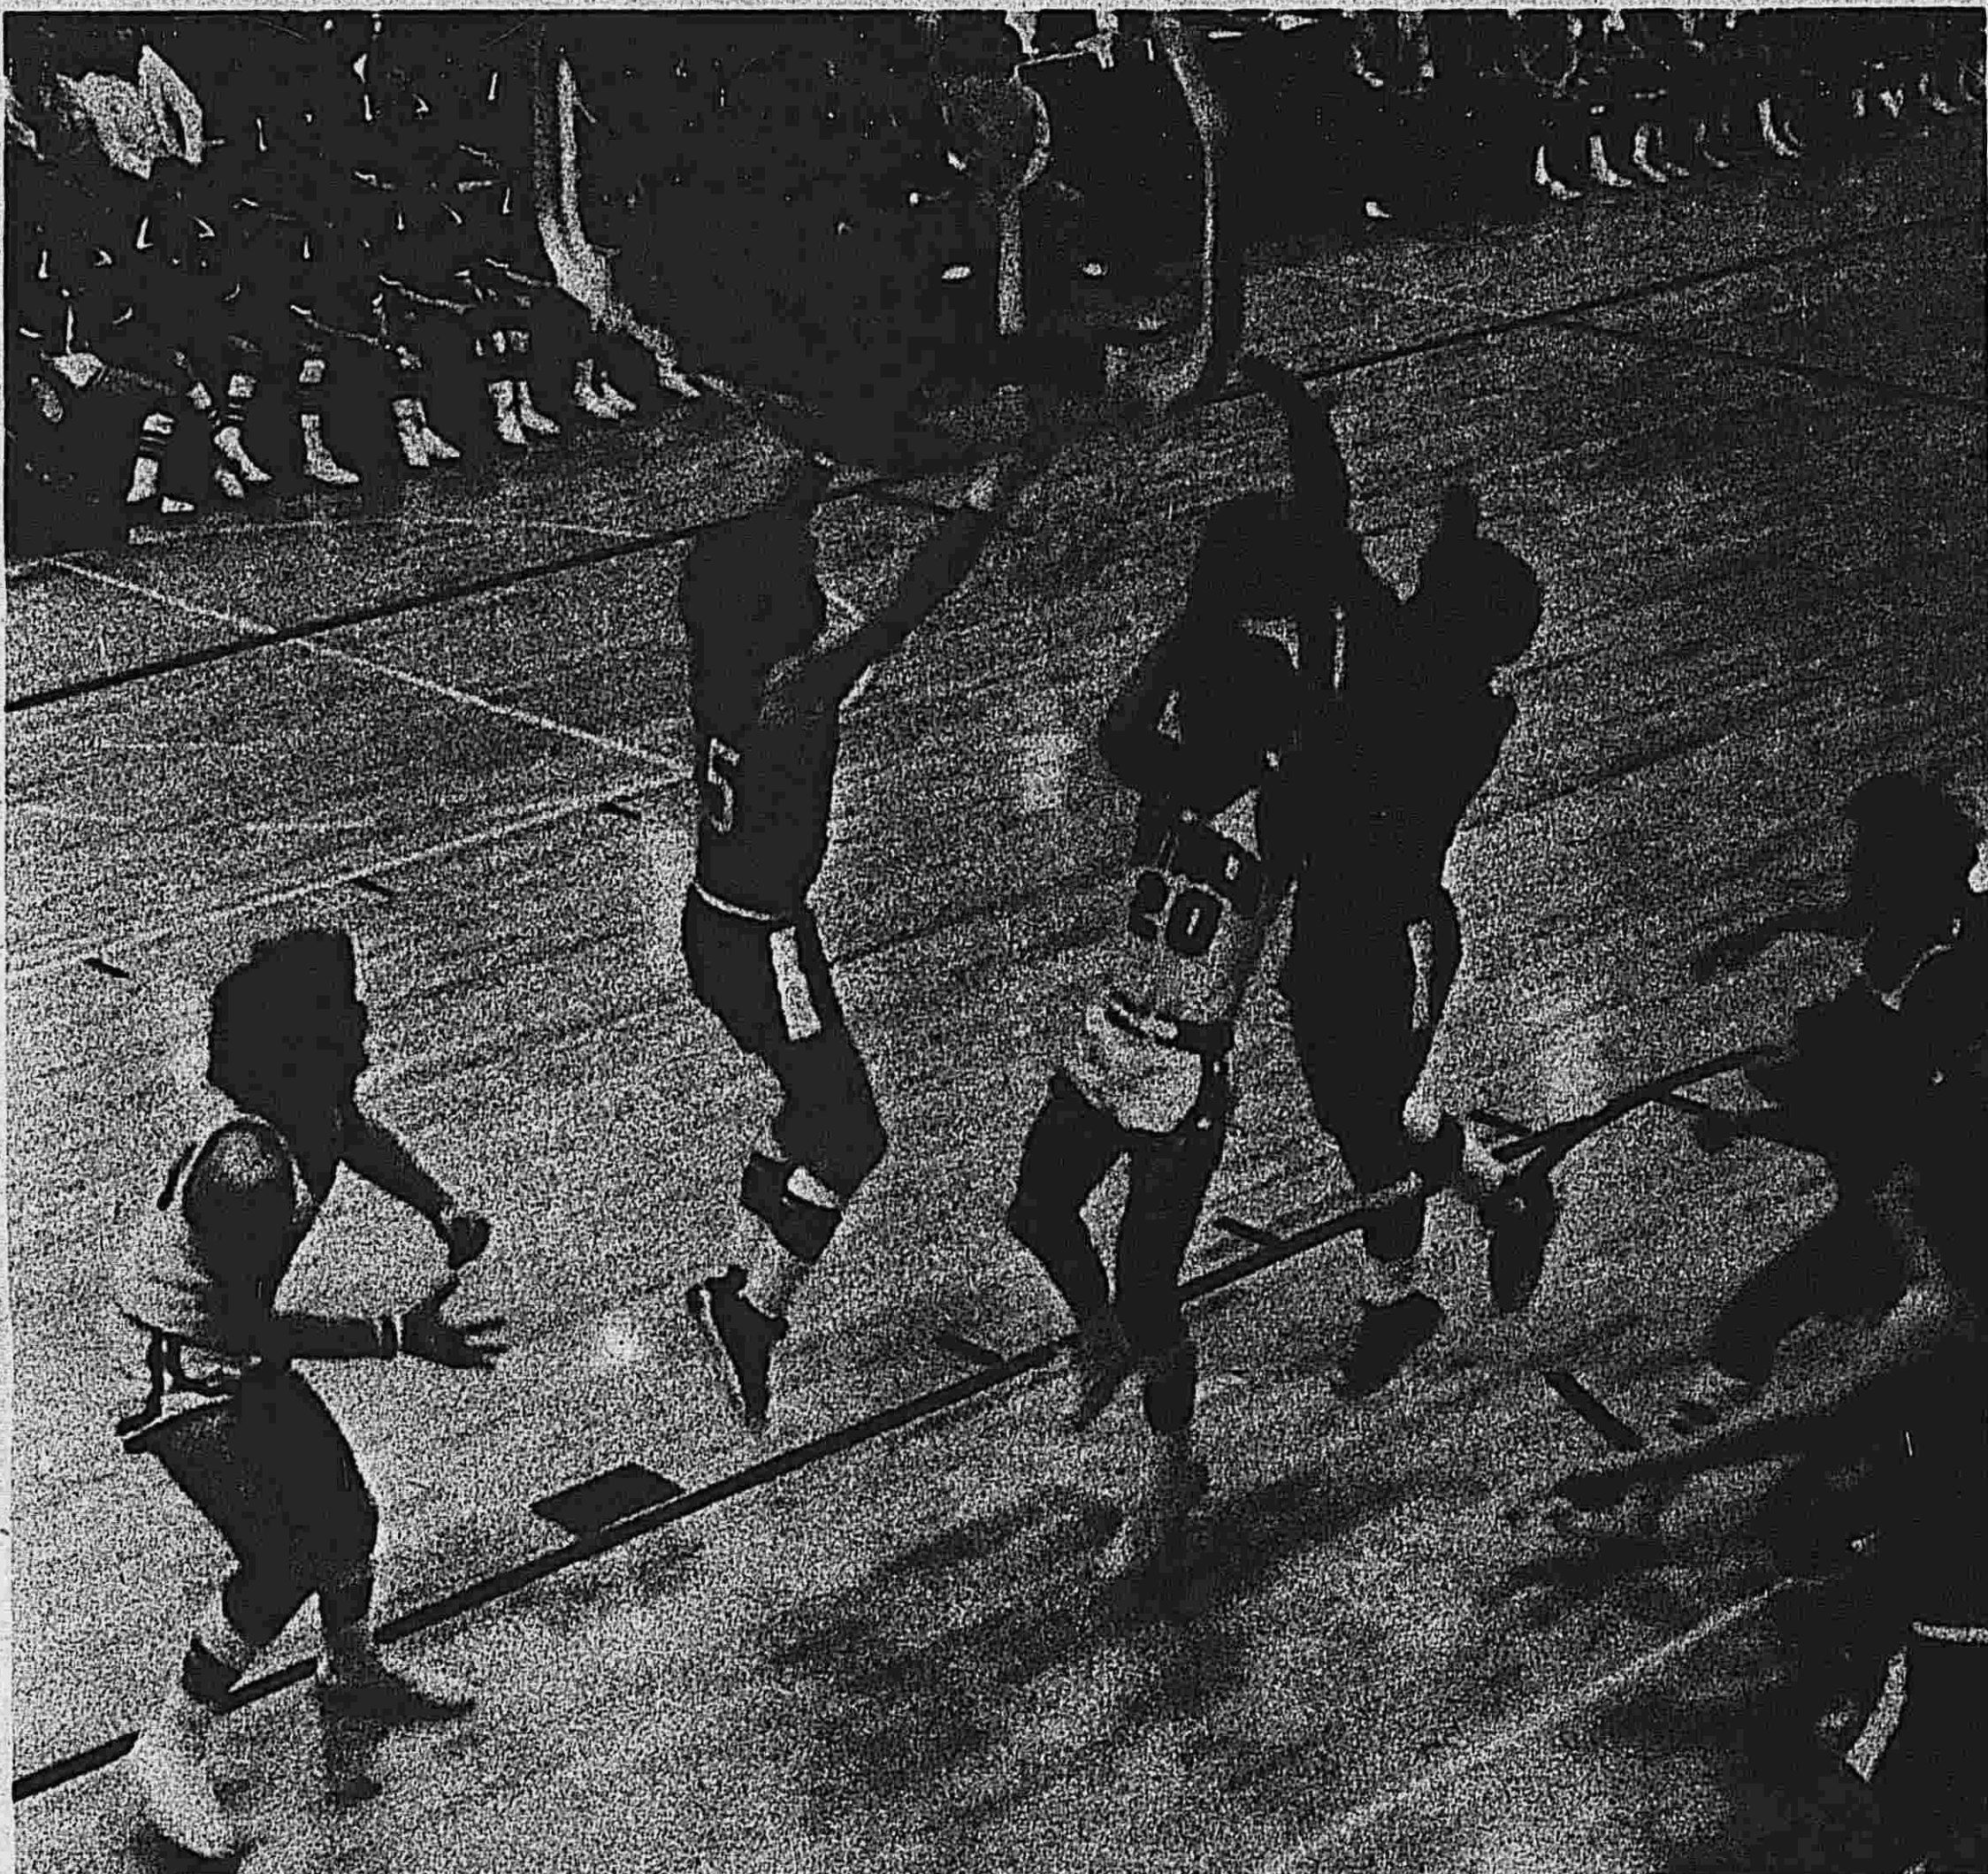

SATURDAY NIGHT the Sequoits went over to Grayslake and beat the Rams 94-64.

They led by only 19-16 at the quarter, then pulled away to a 45-31 halftime lead.

"Grayslake probably played us as well as anyone in the league," Andrews said. "But our depth and overall strength gradually wore them down."

Mike Witt's shooting from the

Please turn to page 13.

THE TRAFFIC WAS TERRIFIC, but Antioch's Kevin Walpole got through for two points in this action during Friday's 91-40 win over Grant. The Sequoit at the left is Scott Kimball and the player in the white jersey at the right is Jon Bodin.

Frosh Topple Bulldogs

In a battle of conference leaders, Antioch defeated the Grant Bulldogs 43 to 31 last Saturday. Antioch remains in first with a 5-0 record while Grant dropped to 4-1.

Headsup play and a sound defense combined with strong rebounding secured the win for the Sequoits. Tim Huebner had a fine offensive game with 16 points. He was ably backed by John Eder with 14 and Tom Huebner with 11. Dennis Korkenek had five assists and handled the ball well.

Earlier in the week Lake Forest defeated Antioch 48 to 44 in a non-conference encounter. The Scouts used a zone to break up the Antioch offense and

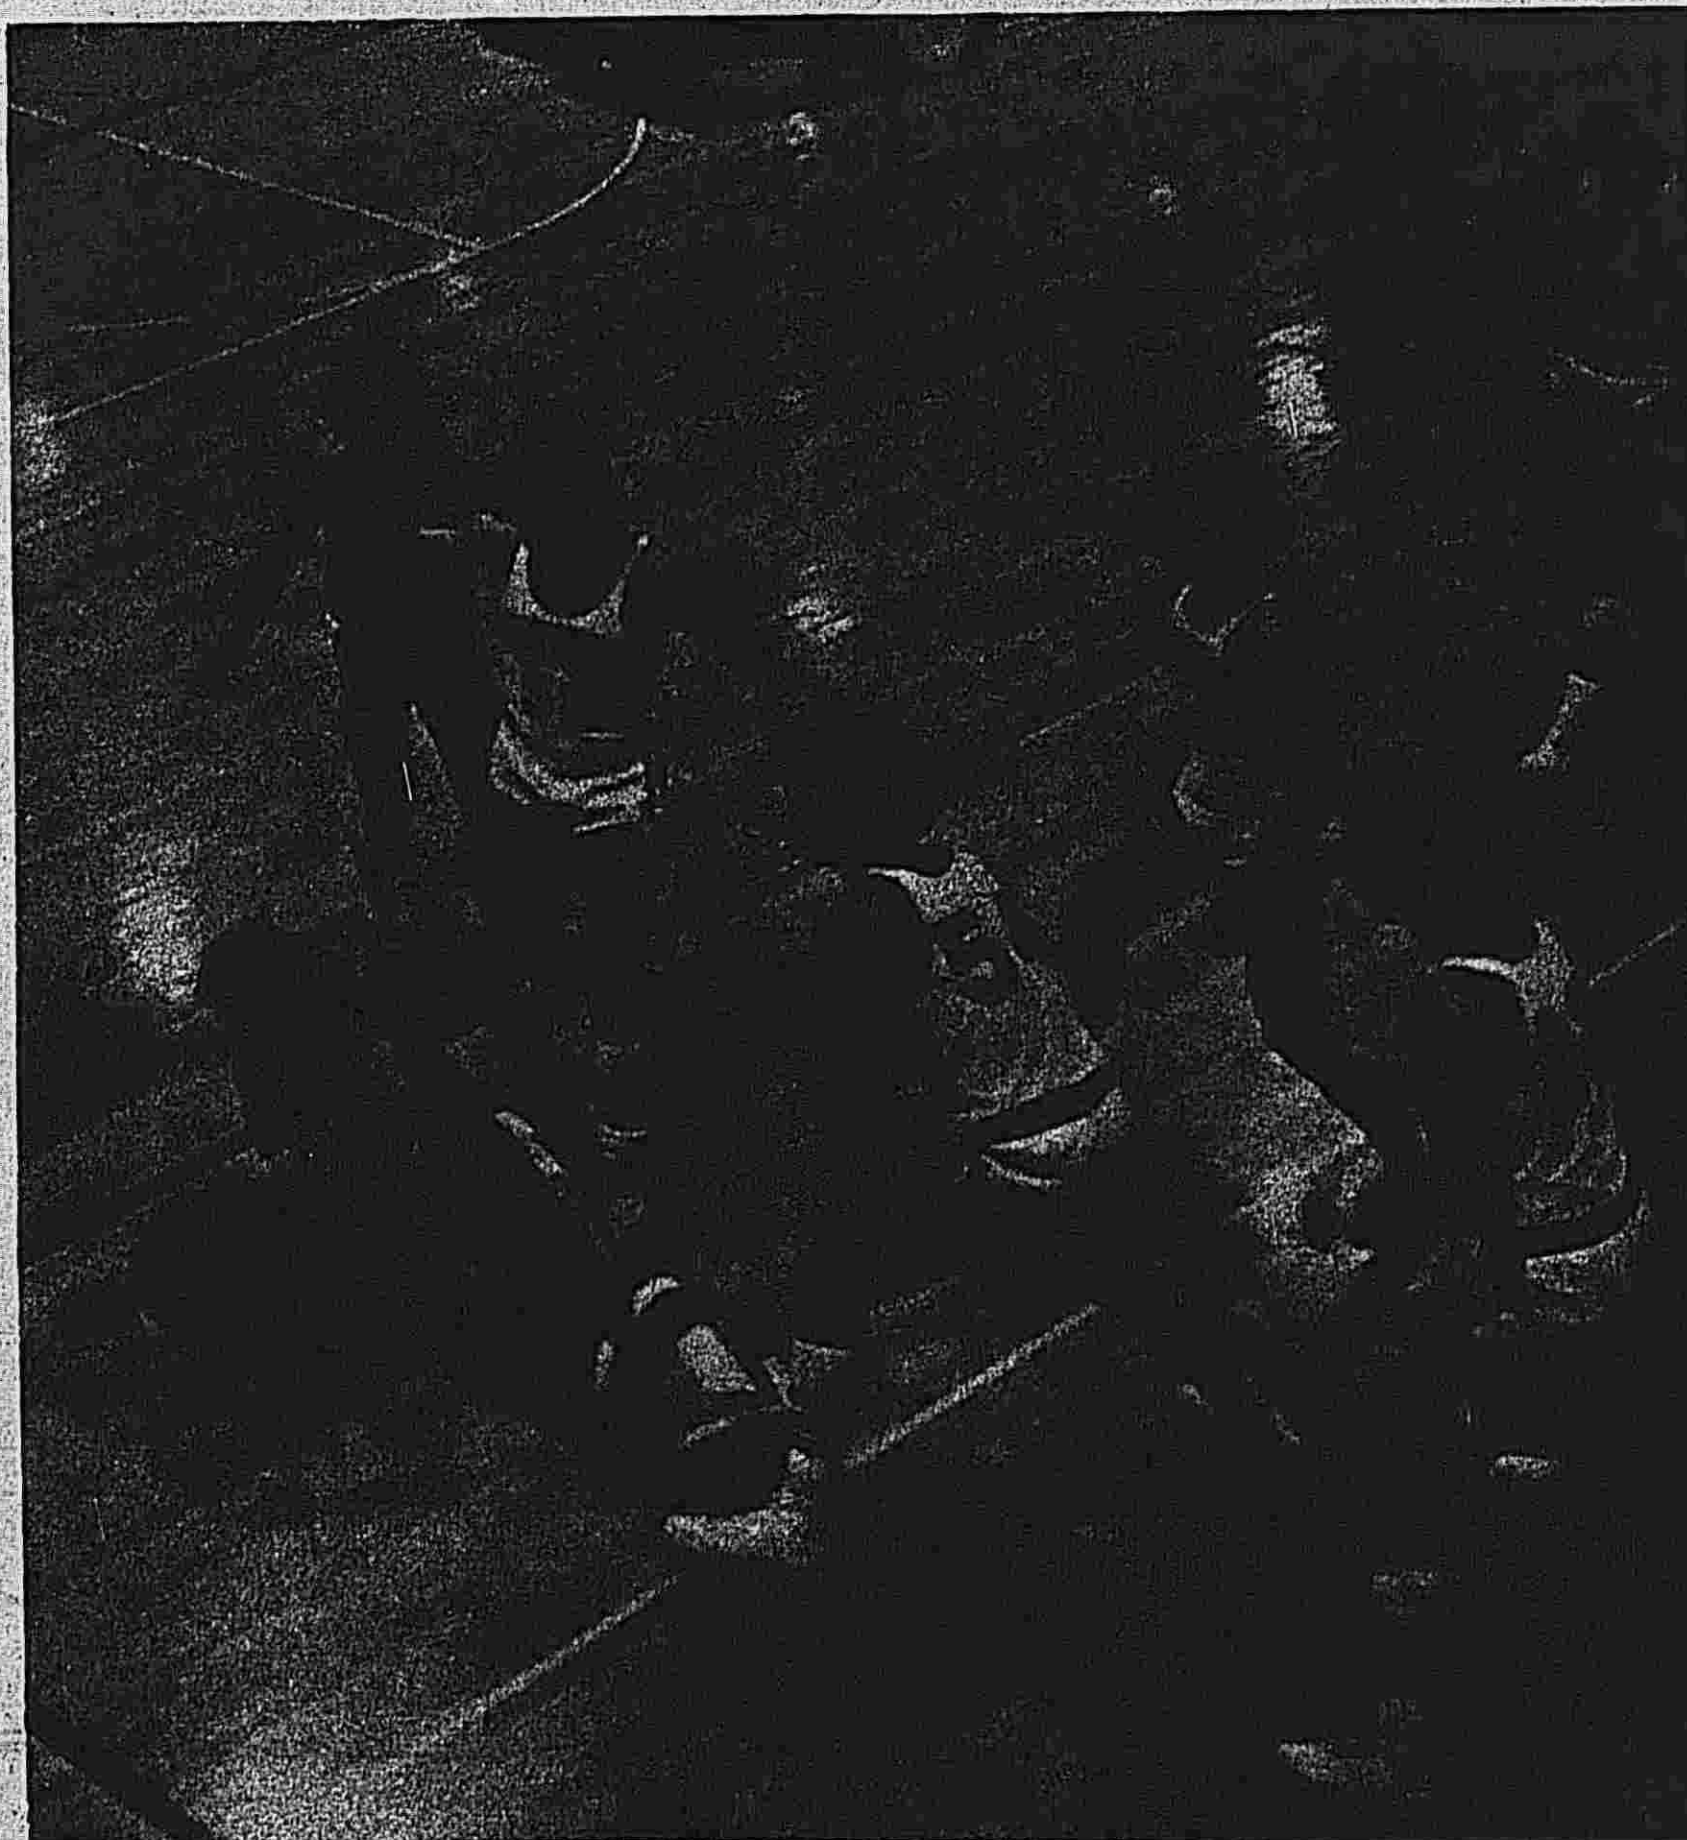

succeeded enough to win.

The "B" team also split its games, losing to Lake Forest 45 to 29 and defeating Grant 55 to 25. Chris Ano was top scorer in the Lake Forest game with 17 points. Coach Mark Guthrie was especially pleased with the play of Keith Resin, Jeff Mulder, Mark Herman and Randy Leland.

The next home game for the freshmen will be Saturday against Cary Grove.

THE ANTIOCH NEWS HOPES YOU HAVE A HAPPY DAY.

FLOOR GAME - Grant's Bulldogs were down (and out, too) in last Friday's game here. Antioch triumphed 91-40. Sequoits in this picture, in white uniforms, are (from left) Mitch Witt, Scott Kimball, Bruce Tossey, Mike Witt and Mike Perrone.

Varsity Wrestlers Win Exciting Meet

Antioch's varsity wrestlers won a thriller from Grant's Bulldogs last Friday, 22-21.

Both teams are contenders for the conference championship and went into the meet with 4-1 records.

Antioch's victory was worth four points toward the conference title, which is decided on a combination of dual meet points and points scored in the conference tournament.

For Antioch, Robin Aerne won a decision at 98 points, then John Davis lost at 105.

BRIAN PARPAN and Scott Shaffer won the next two bouts and Antioch enjoyed a 9-3 lead.

At 126 pounds, Greg Nordstrom suffered his first loss of the season - in fact, his string of 44 victories dated back to his freshman year. But he lost an 8-3 decision to Grant's Geof Sandberg.

Antioch's Dennis Thain won at 132 pounds and Bill Hogan

triumphed at 138 as the Sequoits opened a 14-6 lead. Then Rich Coles lost a decision and Dave Bogaerts scored a pin to give Antioch a 20-10 lead.

AFTER MIKE Jones and Dick Kessler lost close matches Antioch led by only 20-19 and it was up to heavyweight Mike Weber to save the day. He faced Grant's star sophomore, Mark Miesgeier, who had a 15-0 record including wins over wrestlers who had beaten Weber.

The first and second periods of the match were scoreless, but Miesgeier took a 1-0 lead in the third period. Weber then scored a takedown to go ahead 2-1, but Miesgeier scored an escape to tie the match at 2-2 in the final seconds. Weber's tie, however, enabled Antioch to save the 22-21 victory.

The Sequoits will wrestle at McHenry Thursday night and at Cary-Grove Friday.

outside, (he made six of them) was a highlight of the first half. After the coffee break, the Sequoits were able to get the ball inside and Grayslake fell apart completely.

Perrone, who is averaging more than 20 points a game, finished with 34 this time. He had an impressive 15 field goals in 22 shots. Albano finished with 14 points. Witt with 12 and Kimball with 11. Andrews praised guard Kevin Walpole for playing "a real good floor game."

THE SEQUOITS now have 22 straight conference wins. The

league record is 25 in a row by Barrington, a former member of the circuit.

Conference standings:

Antioch 6-0, Warren 5-1, Cary Grove 4-2, Grant 3-3, Round Lake 3-3, Stevenson 3-3, Grayslake 2-4, Wauconda 2-4, Woodstock 2-4, Lake Zurich 0-6.

Friday night's games:

Cary Grove at Antioch, 8:15 p.m.
Grayslake at Grant.
Stevenson at Woodstock.
Lake Zurich at Wauconda.
Round Lake at Warren.

CHRISTIAN SCIENCE CHURCH

In Psalms 57 we read "God shall send forth his mercy and his truth." This is brought out Sunday at Churches of Christ, Scientist, in the Lesson-Sermon entitled "TRUTH."

Commentary from SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy includes this explanation. "God is what the Scriptures declare Him to be, -- Life, Truth, Love. Truth is affirmative, and confers harmony."

Services begin at 11 a.m. at First Church of Christ, Scientist, BEACON HILL, Rt. 173 and Harden, Antioch, and the public is always invited.

The Lake County PTA Council will meet on Monday, Jan. 27, 7:30 p.m. at Gavin Central School which is located on Highway 59 at Wilson Road in Ingleside. All PTA units in Lake County, PTA District No. 26, are urged to send representatives to the Council meetings. Each local unit should send two delegates plus the president and school administrator or their alternates as voting representatives. Any other PTA member is welcome to attend the meetings as a visitor.

The program will be given by Mrs. Sharon Allen on "Motor Development." Mrs. Allen is the coordinator of the program at Raymond Ellis school in Round Lake.

AARP Meets At St. Pete's

The American Association of Retired Persons of Antioch Chapter 387 held their first meeting of the year on Jan. 14 at the St. Peter's Social Center.

Members are most grateful to Father Johnson and Sister Virginia for their generous cooperation in permitting them to use the hall to accommodate their growing membership.

John J. Kallad, President of A.A.R.P. of Winthrop Harbor, was the guest speaker for the afternoon.

The next social meeting will be held on Tuesday, Jan. 28 at St. Peter's. Refreshments are always served. Meetings are held on the second and fourth Tuesday of every month.

in the third period and 10 in the final to take the win.

Leading scorer was Chucky Kempf for Grass Lake with 19 which gives him a season total of 107 points.

FOR YOUTH ONLY?

By looking at Jesus' experience of temptation for 40 days in the wilderness (Matt. 4:1-11) you can learn a lot about your own hassles with life. What Jesus went through out there in the desert and what you go through every day have more in common than you might think.

No, you never have to go without food for 40 days (40 minutes, maybe!), and you probably haven't been offered a job lately as king of the world, but that isn't all there is to know about Jesus' fight with Satan.

Remember, Jesus was both God and Man. So the devil was tempting Him as a human being with his lines about bread and kingdoms. But for Jesus the real squeeze was Satan's dare to prove that He was the Son of God. This was a threat to Jesus' whole self-concept -- a trick to get Jesus confused about who He really was.

If all is starting to sound familiar, congratulations! Satan uses exactly the same strategy on us, only he has a lot more success. Let's review his battle plan again: Satan gets to us with one of the usual temptations -- maybe sex or family trouble -- but his real motive is to see us get all hung up on trying to prove ourselves.

We are open to this devilish trick when we start to doubt who we are and get confused about our real identity. Then Satan can egg us on with his dares to prove we are who we claim to be. The big, tough guy who always has to be top dog has taken the dare. So has the girl who frantically follows every whim of the "in-group," from clothes to boy-chasing. And then there's the person who always has to be the clown -- even when he doesn't want to be.

If they were honest, all these people would tell you they're looking for something -- they're searching for themselves. And they would also have to admit that Satan has got them on a treadmill going nowhere fast.

It's like this. If we take Satan's dare to do something "cool" as proof of who we are, we'll discover very soon that it doesn't work. In fact, we'll be more confused than before. But, since we humans have a talent for getting into trouble, we're likely to keep doing what Satan tells us. But the harder we try to get rid of our self-doubts the more we have to keep trying and the farther we are from having the security we want.

Lucky for us, Jesus didn't blow His cool by getting on the treadmill. He knew that turning rocks into bread or jumping off the temple roof would be just the start of a very bad trip. Satan said, "Are you who you think you are, Jesus? Then prove it." Jesus said, "I know who I am and it's not because I can turn rocks into bread."

If you're a Christian, you can deal with Satan the same way. If you've got it straight that you are a child of a loving God and that He's the only one you need to answer to, Satan's games look really stupid. You really don't need to prove who you are by taking one of his dares. Instead, let God show you His personalized design for your life. He offers the freedom to be satisfied with the real you.

If you would like to know more about God than you do, or what it means to be a Christian, a child of God, we invite you to attend one of the Bible study groups that meet each Sunday morning at 9:45 at the Antioch Evangelical Free Church. You may find those answers you have been looking for. For more information call 395-4117.

51 Points! Who Would Have Guessed?

Entries poured in last week for the Antioch News basketball contest and the \$15 first prize goes to the person who came closest to predicting the score of Friday night's game between Antioch and Grant.

Well, gosh, nobody expected Antioch to win as it did — by 51 points — by a score of 91 to 40.

Most of the contestants figured the Sequoits would win by 5 or 10 points. The game was supposed to be fairly close.

SO THE \$15 goes to Patti Wilton, who came closest by forecasting that Antioch would win by 26.

Second prize, which is two \$5

dinners at The Vault restaurant, goes to Tom McAvoy, who said Antioch would win by 25 points.

And there was a tie for third. Both George Schoenleben and Paulette Kreulach predicted Antioch would beat Grant by 22 points. So we had to use the tie-breaker, which was Saturday's game against Grayslake. George hit it right on the head, saying Antioch would win by 30 points; so he gets the \$5 gift certificate at Walsh's All-Season.

PATTI WILTON SAID 26, AND WON \$15

Paulette was awfully close. She said Antioch would beat Grayslake by 31 points.

THE CONTEST seems to get more interesting each week, and more people keep entering.

This week's contest, which appears elsewhere in today's Antioch News, asks you to forecast the outcome of Friday night's game here between Antioch and Cary Grove.

First prize once again is \$15.

Second prize will be a \$10 savings account at the First National Bank of Antioch and third prize is a \$5 gift certificate at Stanley's Men's Fashions.

Will Antioch win by 5 points? Ten points? Not 50 points again? Or, wait a second ... will the Sequoits lose?

They'd better not.

Soph Wrestlers 12-0 in Dual Meets

Antioch's hard-to-beat sophomore wrestlers traveled to Fox Lake last Friday and defeated Grant's sophs 27-20.

The local team now leads conference sophomore standings with a 6-0 record and are 12-0 for all dual meets this

season.

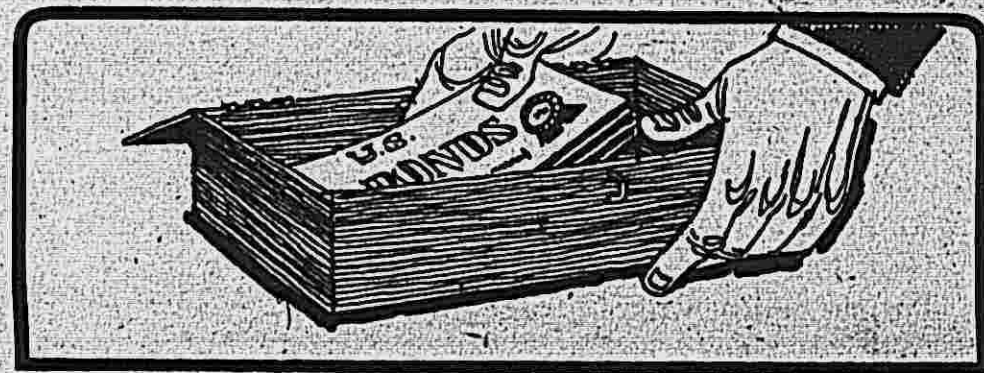

Winning by pins for Antioch were Bob Gossman at 98 pounds and Bob DuCato in the heavyweight class.

Scoring decisions were John Kakacek, Geoff Nordstrom, Dan DiGiovanni and Harold Sokup.

Pat Conway wrestled to a draw at 105 pounds. Among the Antioch sophs suffering defeats were Bill Harland, who entered with a 5-0 record, and Don Traska, whose record was 10-1.

Coach Steve Wapon's sophs have a busy week — wrestling at McHenry at 6:30 p.m. Thursday, at Cary-Grove at 6:45 p.m. Friday and at Waukegan West at 1 p.m. Saturday.
